1 The Board has entered a Decision on Motions in this interference.  
2 (Paper 17). The Decision denies Wang's request for no interference-in-fact and its  
3 motions to redefine the interference. There is no priority phase of the interference  
4 as both Wang and Aziz are currently assigned to the same real party-in-interest,  
5 LG Display. 37 C.F.R. § 41.206 and Paper 3. LG states that Wang has priority of  
6 invention over Aziz for the subject matter of Count 1, the sole count in  
7 interference. (Joint Priority Statement, Paper 13). Accordingly, judgment on  
8 priority of invention is awarded against Aziz.

9 It is:

10 ORDERED that judgment on priority of invention as to Count 1 is  
11 entered against Aziz.

12 FURTHER ORDERED that claims 1-62 of Aziz's involved U.S.  
13 Patent 7,291,404 be CANCELLED, 35 U.S.C. § 135(a).

14 FURTHER ORDERED that a copy of this judgment be entered in  
15 the administrative records of the involved Aziz U.S. Patent 7,291,404 and Wang's  
16 U.S. Application 10/825,685.
